VOLUNTEERS

Died July 21. 1864

NOTE 1.-Two of these certificates (duplicates) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment ordered on it. The discharge is to be given back to the Soldier by the Paymaster; the other copy remaining on his voucher the duplicate certificate.

NOTE 2.-If the Soldier is entitled to pay for the use of his horse, the company Commander will certify to that fact, and also to the time he was paid for having been so mounted on his own horse.

NOTE 3.-Amount due the Soldier and Laurence must be entered on the Muster Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 4.-This blank will be used for deceased volunteers as well as those.

Sir:-

In reply to your communication of March 15th in relation to J. Mc Goodin, Post Master at this place I am directed by Col. Burge to state:-

First - He has not only never interfered with the P. O. Dept. but never contemplated the possibility of even being complained of in such a matter.

Second:- He has not threatened the said J. Mc Goodin with violence. Mr. Mc Goodin presented a bill for Passage at these Head Quarters charging Col. Burge with the Passage account of persons not even belonging to his own Regiment. When this fact was told the Post Master, he petulantly said "he could not be troubled to hunt up such men." In the dispute arising from this incident the Col. was provoked so far as to say that if it were not for his shoulder straps he would cuff Mc Goodin's ears. The Col. would further state, that, aside from this case he has had no controversy with any person at the Post.

Also that Mr. Goodin acted in an indecent manner which
could hardly fail to provoke severe language. Upon
being subsequently summoned that same day to pre-
sent a proper Bill for payment he brought in a Bill
of less amount, acknowledging at the same time that
the first bill was too great. This account was very
promptly and cheerfully paid and no dispute
was had about it.

The marked portion of Mr.
Mr. Goodin's letter, to which attention was called by J. F.
Miller was not enclosed or copied in the communication
sent to Col. it is of course impossible to make reply
to it.

Sir. Your note of the
18th inst. has been received
In reply I will first state
that we have not sent
you any papers as you
are such a reader as you
are in books. Perhaps some
of your friends impressed with
the hope that you would like
to read the Truth has sent
you the News. Be that as it
may why call our sheet
traitorous? Has it departed from
the teachings of the founders of
our nation as much as you
leave. Perhaps you saw something
in the News which touched

your conscience. Something
which reminded you of the
edges which you one day
made to the people of Ky.
and which you are now
retreating. Did you not as
another Kentuckian or
not entering the Fed.
service declare that
if this war becomes a war
of subjugation or a war for
the freeing of slaves, that
you would not only not
leave your position in the
great service but would give the
aid of your sword.
The Daily News has shown
you the object of this war
before you do not with your
conscience disturbed any
more. This is not to be denied

at in a man who has
sacrificed his principles for
the sake of position.
Col. McHenry & Wolford have
lost their heads for the crime
of being honest and for
the fear of losing position
you have embraced that
which you once hated.
But take courage you are
not the only one who for
the sake of Position has
sacrificed his honor, truth
and justice.

Decr 11/1863

NOTE 1.—One of these certificates for discharges are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, due him, and the unpaid or other compensation due him; the company will certify to the act of the delivery of the discharge certificate; on that certificate the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment entered on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the fact of his having been so accepted on his own horse.

NOTE 3.—When a Soldier is discharged with final statements, his Company Commander, if he has one, should be called up by the officer who gives the Soldier these statements, and ordered with a statement to this effect by the officer. This statement should contain a full statement of the date for which the Soldier was allowed pay on his final statements, the clothing allowed, and all other charges against him or in his favor, as far as complete a complete receipt of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is entered. The Company Commander will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be called upon the receipt of their master roll, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his discharge has been completed. These accounts for both pay, &c., are sent by the Adjutant of the Treasury Department.

NOTE 4.—Charges for loss or injury to equipment, from equipment, and other miscellaneous charges, should appear under the heading of "Other Charges."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Discharge the Soldier and his horse must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as the final statement, otherwise the account cannot be collected from the United States.

NOTE 7.—This blank will be used for drafted volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his Company Commander, if he has one, should be sent with his final statement, to Adjutant, to the General Adjutant, Washington, D. C.

Dear Sir

We the undersigned unconditional
Union men of this town & county,

wish to Express to you our hearty
approval of the course of Capt. John W. Bush of
the 48th Ky Infantry since he has been
our Post Commander. We would not
trouble you with this communication
were it not for the intermeddling of
Copperheads & Better nats, who are endeavoring
to see the bold stand Capt Bush has
taken against all the enemies of the
Government, whether at home or abroad

The Union men can
look to him with pride for protection
and get it too. and he has thus far
given better satisfaction to the Union
Element here, than any sent here before

in fact through his prompt energy
the Union cause is progressing and
on Monday the 2nd instant this town
elected all Union officers. in place
of Rebels & Copperheads

We therefore most
respectfully request you to allow Capt
Bush & his worthy Command to remain
with us as long as you can consistently
with the best interest of the Government
all of which is most respectfully

Figure 1 is a line graph showing the percentage of total protein in the supernatant fraction of the Golgi apparatus over time (0 to 24 hours) for three conditions: Control (solid line), 100 μ M DMSO (dashed line), and 100 μ M DMSO + 100 μ M DMSO (dotted line). The y-axis represents the percentage of total protein, ranging from 0 to 100. The x-axis represents time in hours, ranging from 0 to 24. The Control condition shows a steady increase in protein percentage over time, reaching approximately 80% by 24 hours. The 100 μ M DMSO condition shows a similar trend but with a slight dip around 12 hours. The 100 μ M DMSO + 100 μ M DMSO condition shows a significant decrease in protein percentage, reaching approximately 20% by 24 hours.

Major Genl. Benbridge.

When I saw you in Lexington, some time past, the subject of the arrest of Lieut. H. G. Driskill was discussed by us, to come up to you and as I am a citizen of Bardonia & feel some interest especially in that case, I have made enquiry to ascertain something in reference to the true state & condition of that affair.

The facts are few and I will state to you, what I learn to be the true state of case:

On the 16th June last, Lieut. Driskill was sent to Bardonia, with 25 men convalescents from Barracks, under order to keep the peace and quiet of Bardonia for five days. On the 17th of June, he had information, that Col. Soper of the so-called Confederate Army, was at Taylorsville, (a distance of about 20 miles from Bardonia) with a force variously estimated at from 150 to 300. and which turned out to be about

When I saw you in Lexington, some time past, the subject of the arrest of Lieut. H. G. Distick was discussed by us, to come up to you and as I am a citizen of Bardonia & feel some interest especially in that case, I have made enquiry to ascertain something in reference to the true state & condition of that affair.

The facts are few and I will state to you, what I learn to be the true state of case:

On the 16th June last, Lieut. Distick was sent to Bardonia, with 25 men convalescents from Barracks, under orders to keep the peace and quiet of Bardonia for five days. On the 17th of June, he had information, that Col. Soper of the So-called Confederate Army, was at Taylorsville, (a distance of about 20 miles from Bardonia) with a force variously estimated at from 150 to 300. and which turned out to be about

300 men, one half of whom were armed and the other half unarmed.

Lieut. Driskill telegraphed to Col. Fairbairn on the receipt of the news about Col. Loper's forces, and asked him for reinforcements as he had only 25 men, and they were wholly unknown to him. At 3 o'clock on the morning of the 18th June, Col. Fairbairn sent a despatch, ordering Lieut. Driskill to hold out & defend the place, if he thought he could do so, until reinforcements could be sent. Within 15 minutes after this occurred,

the telegraphic operator at Bardston, came to Lieut. Driskill & informed him, that the wires were cut, and consequently no further communication could be kept up with Col. Fairbairn by Lieut. Driskill. At 6 o'clock in the morning of said last named day, the telegraph work on the rail-road, from Bardston to Louisville was set on fire by the Rebels, which cut off, in all probability, all hope of reinforcements by that speedy mode.

The above certifies the true state & condition of the facts as I learn them.

Lieut. Driskill denies that he has disobeyed any order - that he had no discretion left him, which he exercised to the best of his judgment - that he was

actuated by no motives arising from
fear or cowardice, and that he desires
to have this said air force of, so that
he can illustrate before the world, in
active service, that he is not a coward.
So soon as I learned that his case
would not stand, perhaps, upon any
disobedience of orders, I felt safe in
saying to you, that the Lieutenant did
not exhibit such rashness in making a
summons, as should hold him guilty, &
before a Court-Martial. In fact, with
all hope of reinforcements cut off, and
matters seemed to him, it would have been
worse than folly to have done otherwise
than he did. Allow me to say to you,
that there are very few indeed, say 25
American men, out of 500 in Raritan, &
if a fight had commenced there, with
such a difference against us, every American
man in the town would have fallen
a victim to their superiority.

In conclusion, allow me to say to
you, that I believe Lieut Bickell is
a brave man & he will fight, and I
hope he can be relieved by some military
aid, & be put to active duty. He has
only one son who is on the front with
